The U.S. Marshals Service (USMS) offers property for sale to the public which has been forfeited under laws enforced or administered by the United States Department of Justice, its investigative agencies (Drug Enforcement Administration, Federal Bureau of Investigation, and Immigration and Naturalization Service), and certain other federal law enforcement agencies. More than 20,000 items of forfeited property are sold annually with gross sales of \$100 million. The property offered for sale consists of residential and commercial real estate, business establishments, and a wide range of personal property such as motor vehicles, boats, aircraft, jewelry, art, antiques, and collectibles.

This is a list of contract service providers and federal agencies who have been authorized to sell forfeited property for the USMS on a recurring basis. The list provides information on company/agency names, locations, and telephone numbers. Please contact the companies/agencies listed throughout for information on property that is currently available for sale, and for sales locations, dates, and other pertinent information.

Please note that the list is subject to change. Consult local telephone information in case of a questionable telephone number. Forfeited property may not be available for sale at all times. Written inquiries to service providers must be accompanied by a self-addressed/stamped envelope; no collect calls please. Additional service providers may be authorized to sell forfeited property by the USMS in various Federal Judicial Districts; check local newspapers. Forfeited real property is normally listed for sale by authorized brokers in local multiple listing services (MLS). Special-interest items are sometimes advertised in trade publications and special-interest periodicals. The USMS maintains neither a list of forfeited property for sale nor a mailing list to notify prospective buyers of upcoming sales.

NOTE: The U.S. Marshals Service maintains neither a list of forfeited property for sale nor a mailing list to notify prospective buyers of upcoming sales.
